

We are looking for **EXPERIENCED FLUID HAULERS** to join our operations team in several areas throughout central/northern Alberta including **LEDUC, EDSON, ROCKY MOUNTAIN HOUSE, AND DRAYTON VALLEY**. We offer our employees competitive wages, an hourly safety bonus, great health benefits coverage, and an excellent company matched RRSP savings plan.

If you:

- Have 3+ years experience of hauling drilling and/or completion fluids, fresh water, and flow back
- Have an excellent safety record
- Are focused on customer service
- Can pass pre-employment as well as ongoing pre-access drug and alcohol

...we would like to discuss these opportunities with you further. Please submit resumes and driver's abstracts for consideration.

We offer employees the opportunity to work with knowledgeable and dedicated transportation professionals and a competitive compensation package that includes group benefits and an excellent company-matched RRSP and stock program.

Please submit resumes and a current commercial driver's abstract to **Rick Leicht** at rleicht@totaloilfield.ca
