

We are pleased to announce that Stellantis Canada will continue to reward all employees/members of Total Energy Services Inc. business locations the opportunity to purchase or lease a select, new 2024, 2025 or 2026 model year Chrysler, Dodge, Jeep®, Ram, FIAT® or Alfa Romeo at a ***Preferred Price through January 2nd, 2026***. This offer is an exclusive savings opportunity for employees/members to take advantage of in addition to consumer incentives available at the time of sale. Your Company Code for 2025 has been assigned. Please ensure that this unique company code is communicated to your employees/members.

Company Name: Total Energy Services Inc.

Company Code: SU0587

Shop online with your Preferred Member discount applied. When an employee/member generates a control number from the preferred Customer website (www.chrysleradvantageplan.ca) they will receive an email with a unique link to browse inventory or build a vehicle through our Employee Advantage website. This experience allows employees/members to view inventory or build a vehicle with their unique discount applied, providing complete pricing transparency.

1. Employee/member generates a control number on www.chrysleradvantageplan.ca using the unique company code above.
 2. Employee/member receives an email with a "Get Started" link that provides a unique shopping experience, complete with their discounted pricing through inventory or build and price.
 3. Once the employee/member has either built or found an inventory unit, the "Get My Control Number" button asks them to fill out their name and contact information and submit to their dealer revealing the completed control number. This control number is also emailed to the employee/member.
 4. The employee/member has no obligation to purchase, or purchase from that dealership - they can simply take this control number to their preferred dealer when they are ready to purchase.
2. **Monthly Promotional Flyers now available.** We encourage you to promote these special Preferred Member offers to your employees/members by downloading, printing and hanging our monthly flyer in common areas, or emailing it to employees. It is now available on www.chrysleradvantageplan.ca using your unique company code.

For employees to participate in this program, they must:

- Obtain a special Company Code from the designated company contact
- Visit www.chrysleradvantageplan.ca or call the Advantage Plan Program Headquarters toll-free at 1-800-387-3514. In both cases, they will need to provide their name, address, telephone number, date of birth, company name, and company code to receive a unique Control Number. (Please note that a Control Number will not be issued without a Company Code)

- The employee/member then takes the Control Number along with a company photo ID card or a recent, original pay stub to any participating Chrysler, Dodge, Jeep, Ram, FIAT or Alfa Romeo retailer.
- Employees/Members should contact participating dealers for specific pricing details.
- Once the dealership verifies the Control Number, these employee/members can choose from any eligible*, new 2024, 2025 or 2026 model year Chrysler, Dodge, Jeep®, Ram, FIAT® or Alfa Romeo vehicle.

Stellantis Canada is proud of our business relationship with Total Energy Services Inc. and is appreciative of its outstanding performance and contributions.

If you have any questions, please contact Program Headquarters at 1-800-387-3514.
